## **REPORT NO: 026-15** TO: ORDINARY COUNCIL MEETING 29<sup>th</sup> JULY 2015 SUBJECT: WRITE-OFFS – INTERIM RATES

Section 6.12 of the Local Government Act provides that a council may write off money owed to the Shire subject to a resolution of the council approving this action being carried by an absolute majority.

## SUMMARY

Every month the Valuer Generals Office of Landgate issues interim rating valuations which in the case of mining tenements can arise following increases to the annual rental charges by the Department of Mines and Petroleum (DMP). Some of these interim rates calculate out at amounts ranging from a couple of dollars up to approximately \$30.00. The imposition of these interim rates can become a problem to collect particularly when a ratepayer has already paid the annual amount assessed by the council following the adoption of the budget. In addition, the amounts of the interim rates are often so small as to be effectively uneconomical for the Shire to seek to levy and collect.

In previous years Council has resolved to write off amounts raised in the accounts in those circumstances where the interim rates arising from increases in rental charges by the DMP are assessed after ratepayers have paid their assessments in full provided the amounts in question do not exceed the sum of \$55. During the 2014-2015 rating year the same situations have arisen and accordingly council approval to the application of the same policy is sought.

A review of the rate records for the 2014-2015 financial year to the 30th June disclosed that valuations of the following mining tenements were varied by the Landgate resulting in additional rating being levied on the holders of the tenements after payment in full by them of the annual rates levied by the council following the adoption of the 2014-2015 budget in August 2014.

<b>Tenement Holder</b>	Assessment #	Additional Rates Levied
BHP Billiton Nickel West Pty Ltd	190	\$2.04
BHP Billiton Nickel West Pty Ltd	208	\$2.04
BHP Billiton Nickel West Pty Ltd	216	\$2.04
BHP Billiton Nickel West Pty Ltd	224	\$2.04
Hinckley Range Pty Ltd	2048	\$8.23
Sammy Resources Pty Ltd	2428	\$7.39
Wirraway Metals and Mining Pty Ltd	2618	\$0.88

#### **Total Interim Rates to be Written Off**

#### RECOMMENDATION

That the additional rates totalling \$24.66 in the above schedule and levied on mining tenements during the 2014-2015 financial year following a re-assessment of the unimproved valuations of those mining tenements by LandGate during the year be written off.

#### STATUTORY ENVIRONMENT

*Local Government Act* 1995 section 6.12 – Power to defer, grant discounts, waive or write off debts

#### FINANCIAL IMPLICATIONS

#### NOTE: (1) THE OBJECT AND REASON FOR GENERAL AND MINIMUM RATE

Council has imposed a general rate of .17 cents in the Dollar and a minimum rate of \$220 p.a., as Council perceives it to be a "reasonable" minimum level of rates which all ratepayers in its district should pay. The minimum rate reflects the basic cost incurred by the Council in servicing each lot or dwelling in its district.

## PURPOSE

For Council to consider:

- repealing policies that are now considered irrelevant,
- amending policies where relevant, and
- adopting new policies required.

#### BACKGROUND

The Shire has Council policies under the headings of;

- Members, Meetings & Council
- Corporate Services
- Development Services, and
- Engineering Services.

For audit requirements the Shire is required to provide a 'policy manual'. To ensure that the Shire's policy manual is up to date, a review has been conducted of all of the existing Council policies. This review has identified what Council policies are to be in the revised policy manual (Attachment 1). The majority of policies require a review to update their content and to ensure they are effective and applicable and others were no longer relevant. New policies are also required for audit compliance requirements arising from the 2013/14 audit process.

#### STATUTORY IMPLICATIONS

#### Local Government Act 1995

2.7.	Role o	of council
------	--------	------------

- (1) The council
  - (a) governs the local government's affairs; and
  - (b) is responsible for the performance of the local government's functions.
- (2) Without limiting subsection (1), the council is to
  - (a) oversee the allocation of the local government's finances and resources; and
  - (b) determine the local government's policies.

## POLICY IMPLICATIONS

It is proposed that a number of policies be repealed, amended or new ones adopted. These are listed below.

#### COMMUNITY ENGAGEMENT

#### CONCLUSION/COMMENT

In order to ensure that there is a current Policy Manual it is necessary for Council to have the Chief Executive Officer undertake a review of all Council's policies. It is acknowledged that the Council's policies required review by way of updating information, removing irrelevant policies and ensuring that all policies are effective and applicable. Additionally some policies are no longer required and new policies are to be adopted for audit and other compliance purposes.

To assist with this process a standardised nomenclature for documents has been established that supports operational performance. These documents have been defined as follows:-

- 1. **Policy** a concise formal statement by Council that outlines non-discretionary governing principles and intentions, in order to guide the Shire's practice. Policies are a formal statement of intent that mandate principles or standards that apply to the Shire's governance or operations or to the practice and conduct of its staff. In short, a policy provides staff with the approved way of dealing with a particular matter. Policies are required to be reviewed by Council every 4 years.
- 2. **CEO Procedure** a statement approved by the Chief Executive Officer that sets out the process and requirements for a particular course or mode of operation. Procedures clearly define how an operational process or standard is to be implemented and by whom. A procedure is reviewed more often than a Policy as operational processes change in line with legislative or organisational requirements. Compliance with procedures is mandatory and non-compliance may be actionable through appropriate conduct policy documents.
- 3. **Plans / Codes / Frameworks** a step-by-step explanation of how to undertake a specific task or function from start to finish. These are an important tool to identify and document continuous improvement opportunities and ensure best practice in service delivery.

Some of the existing Council policies can be considered irrelevant for one or more of the following reasons:

- They are out of date and no longer required
- They are duplicated
- They are actually organisational directives rather than Council policies
- They have been superseded by new Council policies, new codes of conduct, or amendments to Local Government, State or Federal legislation

The following Council policies have been considered:

- need repealing,
- need amending, or
- are new and are recommended to be adopted.

POLICY NAME	REASON FOR REPEAL
Authorisation of Requisitions and Orders	Covered in CEO Sub-Delegations to staff.
Email & Internet Use	Replaced with updated two new Computer Systems & Internet Usage / Email Usage policies
Vehicle Replacement Program	Superseded by new Motor Vehicle Policy
Common Seal	Use of Seal covered by Council Delegation No. 13
POLICY NAME	REASON FOR AMENDMENT
Special meeting after District Election	Minor clarification around when Oath of Allegiance, etc. to be undertaken.
Conference Attendance	Minor change to remove conditions related to Officers as these are covered elsewhere for employees.
Purchasing	Amended to better clarify officer responsibilities.
Investment	More detail added to better clarify staff responsibilities.
Corporate Credit Card Use	More detail added to better clarify staff responsibilities.
Regional Price Preference	Amended to include maximum price reduction allowance of \$50,000.
POLICY NAME	REASON FOR ADOPTION (New)
Donation & Contribution Requests from Public	Missing policy now developed.
Community Engagement	Required to specify how the Shire will engage with the community on key strategic items e.g. IPRF – Strategic Community Plan
Council Election Caretaker Period	To identify Council actions leading up to a district election.

Risk Management	New policy added as requested by Auditors and Best Practice Compliance.

Road Train Permits	New to better clarify responsibilities.

The following policies are unchanged:

- Council Meeting Schedule
- Agenda & Officer Reports
- Minutes
- Committees
- Conference Attendance
- Disturbance at Council Meetings
- Leave of Absence
- Media & Public Relations
- Confidential Items Delegation & Release
- Financial Interest Advice
- Members Expenses
- Members Allowances
- Employee Communication with Councillors
- Shire Logo
- Legal Representation Cost Indemnification
- Disclaimer for Information
- Freedom of Information
- Budget Work Requests
- Records Management
- Economic Development

- Tourism & Promotion
- Sport & Recreation Facility Development
- Sport & Recreation Lighting
- Traffic Management
- Emergency Services Participation

These policies do not require change and are still current, as such they are included in the revised policy manual to be adopted by Council.

It is also noted that some policies need Councillor input in their review and the Chief Executive Officer will arrange a review workshop at a later date.

The Code of Conduct needs review and updating to have one Code covering both Councillors and staff. This document is not a Shire Policy and is a requirement under S5.103 of the LG Act. The revised Code of Conduct will be available for the Councils next meeting to consider.
