Summary

For Council to be advised of the Shires Municipal Account and Investments.

Background

To invest the Shire of Ngaanyatjarraku surplus funds with consideration of risk and at the most favourable rate of interest available to it at the time, for that investment type, whilst ensuring that liquidity requirements are being met.

Comment

Preservation of capital is to be the principal objective with consideration given to liquidity, cash flow requirements and return on investments.

Preservation of capital is the principal objective of the investment portfolio. Investments are to be performed in a manner that seeks to ensure security and safeguarding the investment portfolio. This includes managing credit and interest rate risk within identified thresholds and parameters.

The investment portfolio will ensure there is sufficient liquidity to meet all reasonably anticipated cash flow requirements, as and when they fall due, without incurring significant costs due to the unanticipated sale of an investment.

The investment is expected to achieve a predetermined market average rate of return that considers the Shire's risk tolerance. Any additional target set by the Shire will also consider the risk limitation and prudent investment principles.

Better rates have been received through a quotation process with the Westpac and Commonwealth Bank and as such funds have been deposited with the bank providing better interest rates. Westpac Business Premium Reserve Account has also been opened with the intention of keeping surplus operating funds in this bank account yielding higher interest income.

Purchasing card payments for the period 28 May 2024 to 27 June 2024 of \$6,401.75 via credit card payments totalling \$6,401.75 are presented to Council to be received.

The attached schedule provides the information required by legislation. A detailed copy of the payments and statements with supporting information will be kept in the Finance Office.

The list of payments made by authorised employees using transaction cards to be received by Council for the period 28 May 2024 to 27 June 2024 (Attachment 10.2) are presented to Council.

Summary

For Council to consider a provision of staff housing to the Ngaanyatjarra Council Group to reinitiate a program in the community.

Background

Playgroup WA has withdrawn from delivering a program within the Warburton community. Ngaanyatjarra Council Group is in the final stages of reinitiating a program and part of this process is securing staff housing. As such they are seeking Council's support in providing short term accommodation until alternative accommodation can be found.

Ngaanyatjarra Council Group has requested for the Shire to supply Lot 255b Motel Street Warburton rent free for an immediate period, with an end date to be determined.

Comment

Lot 255b Motel Street Warburton was previously under a rental agreement with Playgroup WA and has been vacant since delivery of the program was withdrawn in May 2024.

To assist the Ngaanyatjarra Council Group in finalising the process it is recommended that the Shire provide housing on a month-to-month arrangement, with a further report to Council to review the arrangement in 3 months.

Note: this report is an indicative result for 30 June 2024 as the end of year process is still being undertaken.

Summary

For Council to consider the draft Shire of Ngaanyatjarraku Disability and Inclusion Plan (DAIP) 2024-2028 and seek approval to use the draft as the basis for public consultation.

Background

The Disability Services Act 1993 requires local authorities to produce a DAIP. The DAIP must be lodged with the Disability Services Commission for 5-year periods. The current DAIP expired in 2022. The 2023 review was not undertaken. This new DAIP is for the period 2024-2028 to realign with the 5-year cycle.

The DAIP 2024-2028 will assist the Shire in achieving compliance with the Disability Services Act 1993.

Comment

The current DAIP 2019-2022 has been reviewed and updated to produce a consultation draft DAIP 2024-2028 (Attachment 12.3).

There is a legislative requirement to undertake a consultation process before adopting the new DAIP, and the minimum is to invite public submissions. As the Shire does not have the resources for a more extensive consultation process, it is proposed to invite public submissions on the new draft DAIP closing on 14 August 2024 so that the new DAIP can be adopted at the August Ordinary Council Meeting.

It is proposed to invite a submission from relevant institutions that have the most dealings with and knowledge of local persons with disabilities.

Statutory Environment

Financial Implications

The cost of giving public notice of the draft plan and inviting submissions can be accommodated within the current budget.
