Summary

For Council to be advised of the Shires Municipal Account and Investments.

Background

To invest the Shire of Ngaanyatjarraku surplus funds with consideration of risk and at the most favourable rate of interest available to it at the time, for that investment type, whilst ensuring that liquidity requirements are being met.

Comment

Preservation of capital is the principal objective of the investment portfolio. Investments are to be performed in a manner that seeks to ensure security and safeguarding the investment portfolio. This includes managing credit and interest rate risk within identified thresholds and parameters.

The investment portfolio will ensure there is sufficient liquidity to meet all reasonably anticipated cash flow requirements, as and when they fall due, without incurring significant costs due to the unanticipated sale of an investment.

The investment is expected to achieve a predetermined market average rate of return that considers the Shire's risk tolerance. Any additional target set by the Shire will also consider the risk limitation and prudent investment principles.

Attached is a copy of the Shire Investment Register recording the details of these longer-term investments.

10.5 Establishment of the Audit, Risk and Improvement Committee and Appointment of the Presiding Member and Deputy Presiding Member

File Reference:	GV.05
Reporting Officer:	David Mosel, Chief Executive Officer
Date Report Written:	23 May 2025
Disclosure of Interest:	The author has no financial, proximity, or impartiality interests in the proposal.
Voting Requirement:	Absolute Majority

Background

Amendments to section 5.12 of the Local Government Act 1995 require Councils to appoint new committee presiding members and deputy presiding members by 1 July 2025. These appointments must be made by an absolute majority decision of the Council from this point forward. This change was introduced to assist the Local Government sector in removing the need for the conduct of a secret preferential ballot at a committee meeting, and to give Councils the role of deciding the leadership of Council committees.

In addition, once section 87 of the Local Government Amendment Act 2024 commences, Local Governments will be required to appoint an independent person to the roles of Presiding Member of the Audit, Risk and Improvement Committee (ARIC). A Local Government will also need to appoint another independent person to serve as the presiding member, when the substantive presiding member is absent.

There is currently no requirement for an independent presiding member to be appointed to an existing Audit Committee by 1 July 2025. Independent Persons are not intended to apply until the October 2025 elections, where the appointment of an independent presiding member and deputy presiding member will be required.

In relation to an ARIC, these provisions will operate, once in effect:

- A local government must appoint an independent person as a member of the ARIC, who will be the Presiding Member (sections 5.12(1) and 7.1A(3)).
- A local government must appoint an independent person as a Deputy Member to the Presiding Member who will attend the meetings, in the absence of the Presiding Member (sections 5.11A and 7.1B(1)-(2)).
- A local government may appoint a person as the Deputy Presiding Member; if appointed, that Deputy Presiding Member must be an independent person (sections 5.12(2) and 7.1A(4)).
- A local government may appoint a person as a Deputy Member to the Deputy Presiding Member who will attend the meetings in the absence of the Deputy Presiding Member; if appointed, that person must be an independent person (sections 5.11A and 7.1B(4)).

Comment

To achieve compliance with the new section 5.12 of the Local Government Act 1995 (Act), Council is requested to formally consider the appointment of one elected member as the presiding member and one member as the deputy presiding member for the Audit Risk and Improvement Committee.

The election of presiding members from the membership of Council's committees as detailed in the background section of this report complied with the requirements of the Act following the conduct of the last ordinary election. However, new legislation came into effect on 7 December 2024, requiring presiding and members of committees established under Section 5.8 of the Act to be appointed by the Council, not elected by the membership. In accordance with clause 67 of Schedule 9.3, the Act requires all local governments to enact this change by 1 July 2025.

To ensure the established committee can continue to function effectively to support Council and comply with the legislative requirements, it is recommended that Council reaffirm the presiding member of the committees, by formally appointing the incumbent, without change, and as follows:

Audit and Risk committee	Current Representative
Presiding Member	Cr D Mclean

It has been recommended that a Deputy Presiding member be appointed to be available in the absence of the Presiding member.

It is noted that the Local Emergency Management Committee is not formed under section 5.8 of the Act, it is only guided and not bound by the Act.

Further noted that following the October 2025 local government elections all committee memberships, including presiding and deputy members, are vacated and will require appointment by the incoming Council.

Statutory Environment

Local Government Act 1995:

- *Section 5.8 — Establishment of committees*
- *Section 5.9 — Committees, types of*
- *Section 5.10 — Appointment of committee members*

Local Government Amendment Act 2024:

- *Mandatory establishment of an Audit, Risk and Improvement Committee*
- *Independent presiding member and deputy requirements*

An absolute majority decision of Council is required for the establishment of committees and appointment of the presiding and deputy presiding member.

Financial Implications

Costs of administering committees, internal working groups and external working groups form part of the Administration overhead that is funded annually in the Shire's Budget.

Strategic Implications

Nil.

Risk Management

This item has been evaluated against the Shire of Ngaanyatjarraku Risk Management Framework, Risk Assessment Matrix. The perceived level of risk is "Low" risk and can be managed by routine procedures and is unlikely to need specific application of resources.

Policy Implications

The ARIC will support Council's governance framework and align with relevant Council policies, including risk management, financial management and audit related policies.

Background

It is a statutory requirement for Council to adopt the schedule of meeting dates, times and locations for Ordinary Meetings of Council each year. This was undertaken by Council at its meeting on 27 November 2024.

Comment

The Council meeting in June is scheduled to be held on the 25 June 2025.

The Chief Executive Officer and Cr P Thomas will be attending the ALGA National General Assembly in Canberra from the 24 – 27 June 2025, therefore, to ensure there is a quorum for the June Council meeting, it is recommended to move the Council meeting date to the week earlier on Wednesday 18 June 2025 at 1pm.

If the Council endorses the change of meeting date, the administration will provide public notice of the change of date via its website, Facebook page and notification on public community notice boards.

Statutory Environment

Local Government Act 1995

Section 5.3 requires Council to hold an Ordinary Meeting not more than three months apart.

Section 5.25(1)(g) indicates regulations may be made concerning the giving of public notice of the date and agenda for council or committee meetings.

Background

The Local Government Act 1995 requires Council to review its Register of Delegations at least annually. Once completed, this new monthly reporting will reflect the financial statements format on a monthly basis and so minimise the annual financial statements procedure at year end.

Comments in relation to 'timing' variances for each monthly report refer to expenditure delays between the budgeted timings versus the actual costs once incurred.

Note: This report is an indicative result for 30 June 2025 closing YTD Actuals, as the end of year process is still being finalised.

'Permanent' variances to note as at month end are:

- Grants, subsidies & contribution – favourable but is due to the timing of budget allocations
- Interest – unfavourable due to the timing of maturity of investments
- Other revenue – favourable to budget as a result reimbursement from the insurers in relation to vandalism of staff housing.
- Non-Operating Grants, subsidies & contribution – under budget possibly timing of funding and allocation of budget
- Proceeds on Asset Disposals – under budget
- Employee Expense – favourable to budget due to unfilled vacancies
- Materials & Contracts – favourable due to cancellation of the BHP contract
- Depreciation is currently under budget as currently reviewing roads replacement valuations and the depreciation rates.

Other revenue & expenses variance have been reviewed, the adopted changes have been updated in the report.
