Summary

For Council to be advised of the Shires Municipal Account and Investments.

Background

To invest the Shire of Ngaanyatjarra surplus funds with consideration of risk and at the most favourable rate of interest available to it at the time, for that investment type, whilst ensuring that liquidity requirements are being met.

Comment

Preservation of capital is the principal objective of the investment portfolio. Investments are to be performed in a manner that seeks to ensure security and safeguarding the investment portfolio. This includes managing credit and interest rate risk within identified thresholds and parameters.

The investment portfolio will ensure there is sufficient liquidity to meet all reasonably anticipated cash flow requirements, as and when they fall due, without incurring significant costs due to the unanticipated sale of an investment.

The investment is expected to achieve a predetermined market average rate of return that considers the Shire's risk tolerance. Any additional target set by the Shire will also consider the risk limitation and prudent investment principles.

Attached is a copy of the Shire Investment Register recording the details of these longer-term investments.

In a previous report within the agenda, the Shire Investments were presented. This report reflects the reconciliation of bank & investment accounts reported in the monthly financial report under Note 2 Cash & Cash Equivalent (August 2025).

Voting Requirement:	Simple Majority

Purpose

The purpose of this report is to seek Councils endorsement for the nomination of a new Deputy representative to the Outback Highway Development Council, filling the vacancy resulting from the recent organisational restructure.

Background

At the October 2023 Council Meeting, following the 2023 Local Government Elections, Council considered Report 10.1: Appointment of Councillors and Staff to Committees. As part of these appointments, the following resolution was adopted for the Outback Highway Development Council:

- Delegates: Chief Executive Officer
- Deputy: Works Manager

Since that time, the Chief Executive Officer has served as Council's primary delegate to the Outback Highway Development Council, with the position of 'Works Manager' appointed as Deputy.

Comments

In August 2025, Council approved an organisational restructure that resulted in the position of Works Manager becoming obsolete. As a result, the Deputy Representative position for the Outback Highway Development Council is currently vacant and requires a new appointment.

It is proposed that Council nominates a suitably qualified staff member or elected member to serve as Deputy Representative to the Outback Highway Development Council. The appointment of a new Deputy will ensure uninterrupted representation at Outback Highway Development Council meetings and maintain Council's commitment to regional collaboration and infrastructure development.

The nominated deputy should:

- Possess a sound understanding of Council operations, particularly as they relate to regional infrastructure and development initiatives
- Demonstrate the ability to represent Council's interests in a regional forum

- Be available to attend meetings (both online and in person) and participate in relevant activities when required.

The endorsement of a new Deputy Representative to the Outback Highway Development Council is essential to ensure ongoing advocacy for Council's priorities in the region and to support the delivery of key infrastructure initiatives. Council's prompt action to fill this position will reaffirm its commitment to regional partnership and effective governance
