Summary

For Council to be advised of the Shires Municipal Account and Investments.

Background

To invest the Shire of Ngaanyatjarraku surplus funds with consideration of risk and at the most favourable rate of interest available to it at the time, for that investment type, whilst ensuring that liquidity requirements are being met.

Comment

Preservation of capital is the principal objective of the investment portfolio. Investments are to be performed in a manner that seeks to ensure security and safeguarding the investment portfolio. This includes managing credit and interest rate risk within identified thresholds and parameters.

The investment portfolio will ensure there is sufficient liquidity to meet all reasonably anticipated cash flow requirements, as and when they fall due, without incurring significant costs due to the unanticipated sale of an investment.

The investment is expected to achieve a predetermined market average rate of return that considers the Shire's risk tolerance. Any additional target set by the Shire will also consider the risk limitation and prudent investment principles.

Attached is a copy of the Shire Investment Register recording the details of these longer-term investments.

Background

To update Council on the status of outstanding resolutions at the time of the agenda preparation and allow Council to confirm resolutions market as complete.

Comment

It includes the meeting date, the latest progress commentary (if applicable), the status of each decision (Not Stared, IN progress, on hold or Complete), the intended date of completion and the responsible officer,

Background

Each year the Council is requested to approve a closure of Shire operations over the Christmas and New Year period, with the period varying depending on the days the public holidays fall.

Council is requested to approve an annual close-down for the Shire of Ngaanyatjaraku for the period commencing Monday 22 December 2025 to Sunday 4 January 2026, inclusive.

Comment

Historically, most Shire employees leave the district for the Christmas and New Year period.

Employees are required to use annual leave entitlements or unpaid leave for the period of closure, which represents no additional financial cost to the Shire.

Due to the public holidays falling midweek, and the travel time needed for employees to safely leave and return to the Shire in a timely manner, it is recommended the annual office close-down be for the period commencing 22 December 2025 to Sunday 4 January 2026 (inclusive).

Statutory Environment

Local Government Industry Award 2020
Clause 23.5 Annual Close Down

The Shire may require an employee to take leave as part of a close-down of its operations by giving at least four 4 weeks' notice.

Financial Implications

Annual leave and rostered day off arrangements are included in the Annual budget. No additional expense is incurred.

Strategic Implications

Risk Management

This item has been evaluated against the Shire of Ngaanyatjaraku Risk Management Framework, Risk Assessment Matrix. The perceived level of risk is “Low” risk and can be managed by routine procedures and is unlikely to need specific application of resources.

10.6 Schedule of Ordinary Meetings for Council - 2026

Reporting Officer:	David Mosel, Chief Executive Officer
Date Report Written:	20 October 2025
Disclosure of Interest:	The author has no financial, proximity, or impartiality interests in the proposal.
Voting Requirement:	Simple Majority

Background

It is a statutory requirement for Council to adopt the schedule of meeting dates, times and locations for Ordinary Meetings of Council each year.

This report sets out the proposed locations and commencement times of Council Meetings for the calendar year 2026. Council has generally set dates for Audit Committee meetings as required during the year.

Comment

In determining the date, times and locations for the Ordinary Meeting of Council for the upcoming year, consideration has been given to a number of factors including travel and other cultural events that may clash.

To have consistency with operational requirements for preparing Council agendas it is suggested that meetings continue to be held on the last Wednesday of the month. It is also suggested that the January 2026 meeting not be held due to the Christmas break and the December 2026 meeting to also be scheduled for the third Wednesday (16 December 2026) to ensure it is not too close to the Christmas period.

Statutory Environment

Local Government Act 1995

Section 5.3 requires Council to hold an Ordinary Meeting not more than three months apart.

Section 5.25(1)(g) indicates regulations may be made concerning the giving of public notice of the date and agenda for council or committee meetings.

Local Government (Administration) Regulations 1996

Regulation 12 specifies the date, time and venue of Ordinary Council meetings for the next 12 months must be advertised once a year.

Financial Implications

Council sets aside sufficient funds in its budget to meet the cost of the advertisement and the associated Council meetings.

Strategic Implications

Background

The governance structure of WALGA is designed to ensure it is representative of all 139 Member Local Governments.

Zones are autonomous groupings of geographically aligned Local Governments. The key functions of Zones are to elect one or more representative to State Council, consider the State Council Agenda and provide direction and feedback to State Council. Zones can also act independently in considering and advocating on regional issues.

State Council is the decision-making, representative body of WALGA, responsible for sector-wide policy making and strategic planning.

The relationship between State Council and Zones is critical as it underpins WALGA's advocacy on behalf of Local Government at the State and Federal Government levels. Zones have an integral role in shaping the political and strategic direction of WALGA.

Delegates are appointed to represent their Local Government on the Zone and make decisions at a regional level. Individual Zones determine how many Delegates represent each member Local Government and are responsible for electing a Zone Chair and Deputy Chair.

When a Delegate is appointed to a Zone, they become eligible to nominate for State Council. As this is an election year, November Zone meetings will hold elections for State Council representatives and Zone Chair.

There are no sitting fees or reimbursements paid to Zone Delegates. State Councillors are entitled to travel reimbursement related to meeting attendance and are paid an annual sitting fee.

The time commitment for a Zone Delegate varies from Zone to Zone. Zones meet five times per year (in February, April, June, August and November). Meetings run for approximately 90 minutes. Agendas are distributed a week before Zone meetings.

Goldfields-Esperance Country Zone (also known as GVROC)

There are nine Local Governments in the Goldfields-Esperance Country Zone.

The Goldfields-Esperance Country Zone meet twice within a State Council meeting cycle (in February, April, June, August and November) at 9:00am. One meeting is held in person to consider GVROC specific matters and the second is to consider the State Council Agenda and is held via Zoom. Hosting of the in-person meetings is rotated between each member Local Government to provide an opportunity to showcase their area.

Each member Local Government on the Goldfields-Esperance Country Zone is entitled to appoint two voting Delegates and as many Deputy Delegates as they see fit. It is recommended that the Chief Executive Officer be appointed as an additional Deputy Delegate where it may be beneficial, to ensure that representation from each member Local Government can always be achieved at Zone meetings.

At the November Zone meeting, an election will be held for the positions of State Councillor (one position) and Deputy State Councillor (one position).

Statutory Environment

10.8 Appointment of Councillors and Staff to Committees

Date Report Written:	20 October 2025
Disclosure of Interest:	The author has no financial, proximity, or impartiality interests in the proposal.
Voting Requirement:	Absolute Majority

Summary

Following the Election on the 18 October 2025, Council must establish any Committees or Working Groups of Council that it considers are required and consider appointing delegates to those and also nominating delegates to any external committees or organisations as it deems appropriate.

Background

Being the first Ordinary Meeting of Council following the General Local Government Elections on the 18 October 2025, Council is required to give consideration to appointing Councillors and staff members to various committees on which it is represented.

Comment

Staff have reviewed the Committees, Working Groups and External Committees in an effort to ensure that they are up to date and the various groups are detailed in the recommendation.

With new legislation being introduced in relation to the appointment of Independent Members to the Audit, Risk and Improvement Committee. The LG Act and Audit Regulation amendments that require LGs to implement the ARIC and Independent Presiding Member arrangements have not yet been proclaimed or made. The Department of Local Government (LGIRS) has indicated that the Act and Audit Regulation amendments are expected to be made soon after the 2025 Election Day. However, the LG Act Schedule 9.3 Transitional Provisions already provide (see cl.69) a 6-month period following the proclamation of the LG Act amendments by which Local Governments will be required to comply.

Therefore, the Shire can establish its Audit Committee under the current Local Government Act provisions, and then at a later date (once the Act and Regulation amendments have been made) provide reports to Council to adjust the Audit Committee's establishment and membership to align with the amended requirements.

The current LG Act provisions applicable to establishing the Audit Committee, include:

- Establishing the Audit Committee by absolute majority - s.5.8 & 7.1A
- appoint Audit Committee membership, by absolute majority - s.5.10(1)
- appoint the Committee Presiding Member, by absolute majority – s.5.12(1)
- optional to appoint a Committee Deputy Presiding Member, by absolute majority – s.4.12(2).

Establishing the Audit Committee under the current Act and Regulations, will enable the Shire to hold Audit Committee meetings in the interim.

Local Emergency Management Committee (LEMC)

In accordance with the EM Act (section 38 (1)) Local governments are required to establish a LEMC for their district, Under the State Emergency Management (EM) Preparedness Procedure 3.7, each local government is required to establish, administer and maintain a LEMC. To meet this requirement a local government may

- have a single committee (covers that entire Local Government's district)
- Have more than one committee (cover different areas within the local government district with different EM needs)
- Combine with other local governments and establish a LEMC for their district (may cover two or more local government districts with similar EM needs).

In respect to Deputies, it is suggested that Council appoint the Councillors who are not members of the Committee as Deputies, so they are able to attend and participate in Committee meetings to ensure quorums.

Statutory Environment

Local Government Act 1995
Part 5, Subdivision 2, Sections 5.8 to 5.18

Local Government (Administration)
Regulations 1996 Part 2 – Council
and committee meetings

A local government may establish (by an absolute majority) committees of three or more persons to assist the Council and to exercise the powers and discharge the duties of the Council. Council may also nominate Councillors (or staff) to represent it on external committees such as those established by the State Government (e.g. Land Conservation District Committees).

A Council Committee is to have as its members persons appointed (absolute majority) by the local government to be members of the committee. At any given time, each Councillor is entitled to be a member of at least one committee and if a Councillor nominates himself or herself to be a member of such a committee or committees, the local government is to include that Councillor in the persons appointed to at least one of those committees as the local government decides (section 5.10 Local Government Act 1995).

If at a meeting of the Council a local government is to make an appointment to a committee that has or will have a Councillor as a member and the President informs the local government of his or her wish to be a member of the committee, the local government is to appoint the President to be a member of the committee.

Where a person is appointed as a member of a committee the persons membership of the committee continues until:

- The person no longer holds the office by virtue of which the person became a member, or is no longer the CEO, or the CEO's representative, as the case may be;
- The person resigns from membership of the committee;
- The committee is disbanded; or
- The next ordinary election day, whichever happens first.

A committee member may resign from membership of the committee by giving the CEO or the committee's presiding member written notice of the resignation.

Financial Implications

There are no financial implications relevant to this appointment process, but expenses will be incurred to facilitate attendance at some of the listed meetings (e.g. airfares / accommodation to attend GVROC Regional Council Meetings).

Secretariat services of the various Council Committees or Working Groups is detailed as being relevant to the relevant Directorate. That notwithstanding the Office of CEO will assist as required with minute taking and governance control processes as usual.

Summary

At the 30 July 2025 meeting, Council agreed to support reopening Kapi Café with Ngaanyatjarra Council and the Education Department, aiming to provide youth training, employment opportunities, and community involvement.

Background

The café's reopening is underway, in collaboration with the Ngaanyatjarra Council Youth Coordinator and the Warburton Campus School principal and teachers. Clean up has begun in the café and letters requesting financial support sent to various organisations. In response, the Shire successfully gained support through the Regional Development Australia Goldfields by a \$4,000 grant to put towards a new coffee machine.

Comment

The coffee machine originally purchased for the Café when it first opened back in 2022 is no longer operational due to an extended period of disuse. Attempts were made to repair or trade in the machine; however, it was determined that it is too old and requires extensive repairs.

A recommendation has been received for a suitable replacement: a Megacrem 2 group coffee machine, known for its reliability, ease of repair, and readily available parts, at a cost of \$5,684.00 + GST, and a Conti CC200 coffee grinder at \$1,725.00.

Council approval is sought for an additional \$3,500.00, supplementing existing funding by reallocating funds from the mid-year budget review, to facilitate the purchase of the required equipment.
